DETAILED ACTION

This is a second office action for serial number 10/739886, entitled Window Sash Frame with hinged components, filed on December 17, 2003.

Response to Amendment

In response to the examiner's office action dated September 29, 2004, the applicant has amended the specification and drawings.

Allowable Subject Matter

Claims 1-9 are allowed.

The following is an examiner's statement of reasons for allowance: within claim 1, prior art does not disclose a window sash having an inner facing frame surface extending around the sash with a first and second glazing pane mounting surface that extend from the inner facing frame surface in combination with a first and second hinged component extending over the length of the sash frame and being hingedly attached to the inner facing frame surface or the first and second pane.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
